

E

Band of Glitte

The diagram shows a cross-section of a structure. At the top right, there is a rectangular region labeled "Band of Glitte". Below this band, a thick black line curves downwards and to the left, ending in a sharp point. Another thick black line curves downwards and to the right from the same point. A third thick black line curves downwards and to the left from the point where the second line ends. At the bottom center, there is a thick black line that forms a semi-circular shape. The label "E" is located in the upper left quadrant of the diagram.
